Does your company:

- Want to gain greater access to buyers?
- Offer educational products, services or theme-related merchandise that can help inform the public of America's natural and cultural heritage?
- Want to support a community of dedicated nonprofit organizations committed to helping people understand and appreciate America's public lands?

If you answered "YES," then APPL's Vendor Support Program can help you accomplish these goals.

About the Association of Partners for Public Lands

Through our member nonprofit organizations and partnerships with public lands agencies, the Association of Partners for Public Lands (APPL) is dedicated to public understanding, appreciation, and stewardship of America's natural and cultural heritage. Our members foster public connections to all types of lands across the nation, from historic battlefields in the east to mountain landscapes in the west, and from vast grasslands, forests and lakes to historic monuments and homes.

How Your Contribution to the Vendor Support Program Helps

The Vendor Support Program helps assure APPL remains a vital organization, enhancing the public service mission of our members and their agency partners. Your contribution facilitates training and networking opportunities for our members to strengthen their efforts in building public appreciation and support for America's treasured spaces and places.

Demonstrate your support for the public lands community by becoming a Vendor Support Program participant today and begin taking advantage of these great ways to connect with APPL members.

- Annual electronic subscription to *Newswire*, our monthly newsletter
- Product or service descriptions in one issue of *Newswire* annually
- APPL Membership Directory and annual report
- One request for the APPL member contact list provided in an Excel file
- Listing in our online vendor directory

Annual Trade Show

APPL's Trade Show is the premier exhibition of educational products and services that help interpret America's natural and cultural heritage. This is a great opportunity for you to sell to a targeted group of buyers and provide information to those involved in the decision process for selecting new products and services for their sites.

As a Vendor Support Program contributor your company can register before other exhibitors and save on your booth fees. Acknowledgment in the convention program and on our Web site highlights your support to attendees and buyers.

Engagement—A Call to Action
APPL Convention & Trade Show
February 7-10, 2010
San Diego, California

For more information about the Vendor Support Program or the trade show contact the APPL office at 301.946.9475 or log onto www.appl.org.
